Since the creation, it is estimated that 27,000,000,000,000 have lived on the earth. This sum divided by 27,000,000, the number of square miles, gives 1,000,000,000 to a square mile, and 5 to a square foot. Suppose a square rod be divided into 16 graves, each grave would contain 100 persons. But this is speculation, and of no benefit to the 1,000,000,000 people that now exist, 20,000,000 of whom are invalids, 3,000,000 dying each year. What they most want are the facts concerning Dr. Pierce's Family Medicine. For years his Golden Medical Discovery has been the standard remedy for the cure of all ailments, throat and lung diseases, while for over a quarter of a century Dr. Sage's Catarrh Remedy has been unrivaled as a positive cure for catarrh. The testimony of thousands of ladies has been published, certifying that Dr. Pierce's Favorite Prescription positively cures the disease and its numerous peculiarities to women. For full information, see the People's Common Sense Medical Adviser, an illustrated work of over 900 pages, price (post-paid), \$1.50. Over 100,000 copies sold. Address the author, R. V. Pierce, M. D., Buffalo, N. Y.

It pestered by an eruption, use GLENN'S SULFUR SOAP, the ruling specific for diseases, irritation and abrasion of the skin, and a most salutary treatment of the complexion. This admirable article is an inexpensive substitute for sulphur baths, and is equally as effective in banishing cutaneous maladies and relieving the pangs of rheumatism and gout. Boiling and roughness, tan, freckles, pimples, and, indeed, every imperfection of the entire skin is entirely removed by it. It is avouched by ladies who have used it to be the most effective means of clarifying and softening the skin that they have ever employed. Its health-promoting properties are widely recognized by medical men, and evidence in its behalf, emanating from other and equally respectable sources, precludes any reasonable doubt as to the genuineness of its claims to public confidence. Clothing and linen from the sick-room are disinfected by it, and it prevents contagion when the danger of contagious diseases has been incurred by contact. Sores and ulcers, that resist the operation of salves and lotions, are healed by it, and it soon relieves the swelling and pain caused by bruises and sprains. The opening of the pores, resulting from the wholesome stimulation of the superficial blood vessels that it produces, is the effect best calculated to ease the circulation when the whole system is disordered and render existence a state of martyrdom while they remain. Eruptions, ailments that continents will not cure, are entirely eradicated by GLENN'S SULFUR SOAP. Sold by druggists. Price, 25 cents per cake. One box (3 cakes), 75 cents, sent by mail, prepaid, on receipt of price. C. N. Cullen, proprietor, 7814th avenue, New York City.

FRUEN'S Oregon Blood Purifier is not an "Anti-Pain" nor an "Anti-Lenax," but by its great regularity and life-giving properties brings the physique to its proper state.

Hill's Hair and Whisker Dye, black or brown, 10 cents.
